"Discharging Port" and "Loading Port" mean the respective ports or places named on Page 1. "Cargo" shall mean any goods or equipment or other items described on Page 1. "Merchant" includes the charterer, shipper, receiver, consignee, the holder of the bill of lading, the owner of the cargo, the holder of the bill of lading, or other persons entitled to possession of the cargo. "Vessel" means the vessel designated on Page 1 hereof or a substitute vessel.

2. NOTIFICATION.
(a) Any mention in the Contract of parties to be notified of the arrival of the cargo is solely for the information of the Carrier and failure to give such notification shall not involve the Carrier in any liability nor relieve the Merchant of any obligation hereunder.
(b) Should the Carrier anticipate that, for whatever reason, the Vessel will not be ready to load the cargo on or about the time for shipment, the Carrier will notify the Merchant thereof without delay stating the expected time of the Vessel's readiness to load and asking whether the merchant will exercise the option of cancelling the Contract or agree to a new time for shipment.
(c) The Merchant must exercise its option of cancelling by written declaration within 48 running hours after the receipt of the Carrier's notice. If the Merchant does not exercise the option of cancelling, then the expected time of the Vessel's readiness to load as stated in the Carrier's notice shall be the new time for shipment. This sub-clause (c) shall apply any time the Carrier requests amendment of the time for shipment.

3. LIABILITY FOR CARRIAGE BETWEEN LOADING PORT AND DISCHARGING PORT
(a) The International Convention for the Unification of Certain Rules of Law relating to Bills of Lading signed at Brussels on 25 August 1924 (the "Hague Rules") as amended by the Protocol signed at Brussels on 23 February 1968 (the "Hague-Visby Rules") and as enacted in the country of shipment shall apply to this Contract.
(b) When the Hague-Visby Rules are not enacted in the country of shipment, the corresponding legislation in the country of destination shall apply, irrespective of whether such legislation may only regulate outbound shipments. When there is no enactment of the Hague-Visby Rules in either the country of shipment or in the country of destination, the Hague-Visby Rules shall apply to this Contract save where the Hague Rules as enacted in the country of shipment or, if no such enactment is in place, the Hague Rules as enacted in the country of destination, apply compulsorily to this Contract.
(c) If the contents of a container or similar article of transport are not made known to the Carrier before loading, the container or such article of transport shall be deemed a "package" or "unit" under the applicable cargo liability regime as provided herein.
(d) The Protocol signed at Brussels on 21 December 1979 (the "SDR Protocol 1979") shall apply where the Hague-Visby Rules apply, whether mandatorily or by this Contract.
(e) The Carrier shall in no case be responsible for loss of or damage to cargo arising prior to loading, after discharging, or with respect to deck cargo or live animals.
(f) The Carrier shall be liable for any consequential loss whatsoever sustained by the Merchant, including but not limited to delay of the goods unless the goods have been delayed by the Carrier and/or his servants, agents or independent contractors with the intent to inflict such a loss. If the Carrier is nevertheless held liable in respect of delay or in respect of consequential loss or damage other than loss of or damage to the cargo, the liability of the Carrier shall be limited to the freight for the carriage covered by this bill of lading, or to the limitation amount as determined by sub-clause 3(a) or (b) if applicable, Special Clauses, whichever is lower.
(g) The aggregate liability of the Carrier and/or any of his servants, agents or independent contractors under this Contract shall, in no circumstances, exceed the limits of liability for the total loss of the cargo under sub-clauses 3(a)-(d), if applicable, Special Clauses.

4. LAW AND JURISDICTION.
Whenever U.S. COGSA applies, whether by virtue of carriage of cargo to or from the United States of America or otherwise, any dispute arising out of or in connection with this Contract shall be exclusively determined by the United States District Court for the Eastern District of London and in accordance with the Rules of the United States of America. Any dispute shall be construed in accordance with English law, and any disputes arising hereunder shall be referred to and finally resolved by arbitration in London in accordance with the Arbitration Act 1996 or any statutory modification or re-enactment thereof, to the exclusion of all other forums, in accordance with the London Maritime Arbitrators Association (LMAA) Terms current at the time when the arbitration proceedings are commenced. The Tribunal for any arbitration shall be composed of three arbitrators. One arbitrator shall be appointed by each party and the claim nor any counterclaim exceeds the sum of USD 100,000. In any case where the LMAA procedures referred to above do not apply, the reference shall be to a tribunal of three arbitrators in accordance with the LMAA Terms current at the date of commencement of the arbitration proceedings.

5. THE SCOPE OF CARRIAGE.

(b) The Merchant agrees and acknowledges that the cargo carried under this contract may be a part cargo and the Carrier shall have liberty to restow this and any other cargo loaded or to be loaded on board the Vessel and to load and discharge any other cargoes for the account of any other Merchants at or off any ports or places in any order, whether or not in geographical rotation and whether or not such ports are on or are substantially on the route to or between the load and discharge port(s) identified in this contract and Owners shall have liberty to deviate to any such ports for these purposes.
(c) It is within the sole discretion of the Carrier to order the Vessel to proceed to the Discharging Port at any given speed (slow steam), even in weather conditions that do not dictate such slower speeds. In the event slow steaming is used, the Carrier shall not be liable for any delay to the Merchant for any delay whatsoever, caused by such orders to slow steam.
(d) Any deviation, change in the Discharging Port, or time lost due to environmental hazards shall be for the Merchant's account and such deviation shall not be considered unjustified.

6. SUBSTITUTION OF VESSEL.
The Carrier shall be at liberty to carry the cargo or part thereof to the Discharging Port by other vessels belonging to the Carrier or others, or by other means of transport, proceeding either directly or indirectly to such port.

7. TRANSSHIPMENT AND LIGHTERING.
The Carrier shall be at liberty to trans-ship, land and/or store the cargo either on shore or afloat at a reship and forward the cargo to the Discharging Port at the Carrier's expense but at the Merchant's risk. Any lightening in or off the Loading Port or Discharging Port shall be for the Merchant's risk and account.

8. LIABILITY FOR PRE- AND ON-CARRIAGE.
When the Carrier arranges pre-carriage of the cargo from a place other than the Vessel's Loading Port or on-carriage of the cargo to a place other than the Vessel's Discharging Port, the Carrier shall contract as the Merchant's agent only and the Carrier shall not be liable for any loss or damage arising during any part of the carriage other than between the Loading Port and the Discharging Port even though the freight for the whole carriage has been collected by him.

9. LOADING AND DISCHARGING
(a) Unless otherwise agreed, loading and discharging of the cargo shall be arranged by the Merchant at his agent.
(b) The Merchant shall, at his risk and expense, handle and/or store the cargo before loading and after discharging and shall bear all costs and expenses in connection with hooking on and hooking off.
(c) Loading/Discharging may commence without prior notice.
(d) The Merchant or his agent shall tender the cargo as fast as the Vessel can load, day and night, 7 days a week, holidays included and, if required by the Carrier, outside of ordinary working hours notwithstanding any custom of the port. If the Merchant fails to tender the cargo when the Vessel is ready to load or fails to tender as fast as the Vessel can load the cargo, the Carrier shall be relieved of any obligation to load such cargo and entitled to leave the port without further notice and the Merchant shall be liable to the Carrier for dead freight and/or any overtime charges, losses, costs, and expenses incurred by the Carrier and in addition the Merchant shall be liable to pay the demurrage at the rate of USD 20,000 (or such other rate as is stated on the front page hereof) per day pro rata, payable day by day for the period of any delay.
(e) The Merchant or his agent shall take delivery of the cargo as fast as the Vessel can discharge, day and night, 7 days a week, holidays included and, if required by the Carrier, outside of ordinary working hours notwithstanding any custom of the port. If the Merchant or his agent fails to take delivery of the cargo, the Carrier's discharging of the cargo shall be deemed fulfillment of the Contract and the Carrier shall be relieved of any obligation to load such cargo and entitled to leave the port without further notice and the Merchant shall be liable to the Carrier for dead freight as fast as the Vessel can discharge, the Merchant shall be liable to the Carrier for any overtime charges, losses, costs and expenses incurred by the Carrier and in addition the Merchant shall be liable to pay the Carrier detention at the rate of USD 20,000 (or such other rate as is stated on the front page hereof) per day pro rata, payable day by day for the period of any delay.
(f) The Merchant shall be at liberty to accept or refuse to receive the cargo at any time and expense of additional cargo securing required by the Merchant or Merchant's representative to be for Merchants' account. At the Loading Port and Discharging Port, cargo shall be received and delivered under hook and alongside the Vessel by and at the risk and expense of the Merchant. At the Port of loading or the Port of discharge, if Merchant requests and Carrier agrees for cargo to be received for loading or discharge directly to/from Merchant's trucks, railcars, wagons or lighter(s), the cargo shall be tendered or received as fast as the Vessel can load or discharge, otherwise demurrage shall apply. As this is an accommodation to Merchant, any delays, costs or liability to Merchant supplied equipment shall be solely at Merchant's risk, cost and expense. Any fees, charges, costs or expenses for hooking/unhooking of the cargo shall be for Merchant's account. Cargo shall always be received and delivered within reach of the Vessel's gear and in the sequence as directed by the Master or the Carrier's port captain. This provision can be varied by the Merchant by agreement that the cargo shall be carried on the terms "Liner In/Free Out", "Free In/Liner Out" or "Free In/Out". Where this provision is varied to Free In/Free Out, cargo operations, including but not limited to loading, stowing, trimming, lashing, tallying, securing and/or unloading, will be for the sole risk, time and expense of the Merchant. Any time by which the time used exceeds the allowed laytime shall be paid as demurrage at the rate of USD 20,000 (or such other rate as is stated on the front page hereof) per day pro rata, payable day by day for the period of any delay.
(g) The Merchant shall be liable to the Carrier for the acts, omissions, negligence of stevedores whom the Merchant has appointed, including costs for repairing any stevedore damage and for

any time lost at the detention rate stipulated in sub-clauses 9 (d) and (e).
(h) A Notice of readiness may be tendered by the Carrier on arrival at or off the Loading and/or Discharging Port any time, day or night, Saturdays, Sundays and holidays included, whether in port or not, whether in berth or not, whether customs cleared or not and whether in free pratique or not and whether ready or not.
(i) Should the vessel not be able to berth for any reason after 72 hours of arriving at or off the Loading and/or Discharging Port, the Merchant shall be obliged to leave the port and cancel the Contract, and the Merchant shall owe dead freight in full. Should the Vessel be unable to discharge the cargo within 72 hours of arrival at or off the Discharging Port, the carrier shall be at liberty to deviate to any other port whatsoever and there discharge the cargo at the Merchant's expense and such alternative discharge shall be deemed to be fulfillment of the Contract.

10. FREIGHT, INTEREST, DEAD FREIGHT, CHARGES, COSTS, EXPENSES, DETENTION, DUTIES, TAXES AND FINES.
(a) Freight, whether paid or not, shall be considered as fully earned upon cargo being loaded, discounted, and non-returnable. The Merchant shall be liable for all costs, expenses, losses and liabilities incurred due to non-approved or infested/damaged/packaging materials supplied by the Merchant, including all costs for transporting the cargo to another port if required.
(e) The Merchant shall be liable for any taxes, dues, duties, fees, tolls, and wharfage on the Vessel, cargo and freight, including all Suez and/or Panama Canal charges. The Merchant shall reimburse the Carrier of such charges.
(f) The Merchant shall be liable for all fines, penalties, costs, expenses and losses which the Carrier, Vessel, or cargo may incur through non-observance of any customs house, import, or export regulations.
(g) Any additional insurance premium charged by the Vessel's underwriters for breaching trading limits, IN/IN/V or entering high risk areas and all anti-piracy precautions, including, but not limited to, insurance, armed guards and crew bonus shall be for the Merchant's account and payable together with the freight invoice.
(h) In case of the Merchant's incorrect declaration of contents, weights, dimensions and measurements, including lifting points and center of gravity, or value of the cargo, the Carrier is entitled to additional freight, losses and expenses as well as claim detention at the rate stipulated in sub-clauses 9 (d) and (e) for any delay at the Loading and Discharging Port caused by such incorrect declaration. Additional freight rate shall be determined as agreed freight amount divided by agreed volume of the cargo in weight measurement. Notwithstanding aforementioned provision, if the Carrier could not load cargo belonging to other Merchants because of the incorrect declaration, the Merchant shall indemnify the Carrier from any losses and expenses whatsoever caused by the incorrect declaration. For the purpose of ascertaining the actual facts, the Carrier shall have the right to obtain from the Merchant the original invoice and packing list, and to inspect, weigh, measure, count, pack, unpack, and repack the cargo. The Carrier shall be entitled to reject any units that cannot be accommodated due to incorrect description without any liability and claim dead freight in full.

(j) The Merchant's failure to give proper reason to tender or load the cargo shall entitle the Carrier to damages and/or deadfreight and such damages shall be claimable as liquidated damages quantified on the basis of the applicable freight rate, or, in any stevedoring and port costs saved. The Carrier shall not be required to call the Loading Port or to mitigate losses in order to be entitled to dead freight/liquidated damages under this clause.

(a) The Carrier shall be liable in connection with the transport under this Contract, whether given by any government or authority or anybody acting or purporting to act on behalf of such government or authority or having under the terms of the insurance of the Vessel the right to give such orders, directions or recommendations.
(b) Should it appear that the performance of the transport would expose the Vessel or any cargo to the risk of seizure, damage or delay resulting from war, warlike operations, blockades, riots, civil commotion or piracy, or any such epidemic, pandemic, highly infectious diseases, quarantine, ice, labour troubles, labour obstructions, strikes, lockouts, any of which on board or on shore and/or difficulties in loading or discharging would prevent the Vessel from leaving the Loading Port or reaching or entering the Discharging Port or there discharging in the usual manner and leaving again, all of which safely and without delay, the Master may discharge the cargo at the Loading Port or any other safe and convenient port. If Vessel is prevented from Loading due to the above, then the Carrier shall be entitled to leave the port and cancel this contract.

The Merchant acknowledges that it is a risk that any such waterway may be blocked, closed or that the Vessel may encounter significant delay (meaning more than 72 hours of waiting time) at such waterway (any such event hereinafter a "Waterway Stoppage"), and the Merchant agrees to assume such risk on the terms of this clause D.

(iii) Unless caused by the Carrier's negligence, any fines, penalties, fees, costs, expenses, damages and losses that the Carrier may incur, even if levied against the vessel, that arise out of security measures imposed at any port shall be for the Merchant's account.
